

Invitation to participate in Korean Geotechnical Society Webinar Lecture (Jan 23 and 24, 2024)

Dear **Colleagues**,

It is our great pleasure to share with all of you the **3rd International Conference on ACE (Architectural, Civil, and Environmental) Forensic Engineering** that is the application of engineering knowledge to the investigation of failure, collapse and other performance problems of construction facilitates and built environments (see further details in the program book attached herein).

We are pleased to invite you to this webinar co-sponsored by the **Korean Geotechnical Society** KGS and held at Korea University in South Korea through online during January 23-24, 2024.

The **“Innovation in Geotechnical Engineering”** and **“Challenges in Geotechnical Engineering”** Sessions as the first and second parts of the conference will take place through Zoom on January 23rd and 24th, 2024 during 10:00 am to 4:30 pm in Korea Standard Time (KST).

Online registration is available now and please visit the website attached below for free registration and further details for this conference:

<https://docs.google.com/forms/d/e/1FAIpQLSeBDgODywQTEwNaphRA5uUZO5kLqxKtTq1y0eIFRm7JdLRzbg/viewform?vc=0>

The **“Innovation in Geotechnical Engineering”** and **“Challenges in Geotechnical Engineering”** Sessions in this 3rd International Conference on ACE Forensic Engineering has invited 19 distinguished speakers in total as follow:

Prof. Keh-Jian
Shou
Vice President Asia in
ISSMGE

Prof. Andy Leung
President in Hong Kong
Geotechnical Society

Prof. Tae Sup Yun
Yonsei University

Prof. Eun Chul
Shin
Former Vice President
Asia in ISSMGE

Dr. Mandip Subedi
President of Nepal
Geotechnical Society

Prof. Yong-Hoon
Byun
Kyungpook National
University

Prof. Askar
Zhussupbekov
Former Vice President
Asia in ISSMGE

Prof. Guillermo
Narsilio
The University of Melbourne

Prof. Fardin
Jafarzadeh
President of Iranian
Geotechnical Society

Prof. Jong-Sub Lee
Vice President of Korean
Geotechnical Society

Prof. Darren Chian
Siau Chen
Vice President of the
Geotechnical Society of
Singapore

Prof. Jianye Ching
President of Chinese Taipei
Geotechnical Society

Prof. Widjojo Adi
Prakoso
President of the Indonesia
Society for Geotechnical
Engineering

Prof. Ikuo Towhata
Former Vice President Asia
in ISSMGE

Prof. Mohammad
Shariful Islam
Bangladesh University of
Engineering and Technology

Ir. Lee Peir-Tien
President in Malaysian
Geotechnical Society

Dr. Pulod Aminzoda
President of Tajik
Geotechnical Society

Dr. Amjad Agha
President of Pakistan
Geotechnical Engineering
Society

Dr. Anil Joseph
President of Indian
Geotechnical Society

They will cover the state-of-the-art geotechnical topics in this international conference.

We look forward to seeing you with us on 3rd International Conference on ACE Forensic Engineering.

Best Regards,

Jong-Sub Lee, Ph.D., P.E.

Professor, School of Civil, Environmental & Architectural Engineering, Korea University

Chair, 3rd International Conference on ACE (Architectural, Civil, and Environmental) Forensic Engineering

PI, Hyper-converged Forensic Research Center for Infrastructure, Korea University

Fellow, National Academy of Engineering of Korea

Vice President, International Affairs, Korean Geotechnical Society (KGS)
